OVERVIEW
Unmanaged or poorly managed conflict in the workplace leads to reduced teamwork, cooperation, productivity and quality, as well as diminished employee commitment and morale. However, good conflict management skills can prevent these results. Successfully managed conflict can have a healthy, positive effect on your team and your organization. Well-managed conflict is an effective way to bring important issues to light and to open and strengthen the lines of communication and creativity with your team, boss, vendors and even customers. For you to be successful in your career, it’s important to develop the skills necessary to handle conflict and confrontation in an intelligent and effective manner. This course will give you insight on how to become proficient at handling conflict.
